mag - ine how sur - prised she's bound to be. \_\_\_\_\_ She

70 71 72 73  
loves me. \_\_\_\_\_ She loves

74 75 76 77  
me! \_\_\_\_\_ I

78 79 80 81  
love her. Is - n't that a won - der? I

82 83 84 85  
won - der why I did - n't want her I

86 87 88 89  
want her, that's the thing that mat - ters. And

90 91 92 93  
mat - ters are im - prov - ing dai - ly Yes - ter - day I

94 95 96  
loathed her. — Bah! Now to - day I love her. — Hah!

97 98 99  
And to - mor - row, to - mor - row... —

100 101 102 103  
Ah! \_\_\_\_\_ I'm

**SHE LOVES ME**

104  
tin - gling                      105                      106                      107  
such de - li - cious      tin - gles.                      I'm

108                      109                      110                      111  
trem - bling.                      What the hell does      that mean?                      I'm

112                      113                      114                      115  
freez - ing.                      That's be - cause it's      cold out.                      But

118  
still I'm in - can - des - cent      and      like some ad - o - les - cent      I'd

120                      121                      122                      123  
like to scrawl on      ev - 'ry wall      I      see: \_\_\_\_\_      "She

124                      125                      126                      127  
Loves Me!" \_\_\_\_\_      She                      loves

128                      129                      130                      131                      132  
me! \_\_\_\_\_
